

Barn Policies

Please drive slowly on the driveway and in the parking lot. We are a family owned and operated business and have young children.

No smoking in or around the barns.

No dogs. Please leave your pets at home (even if they fit in your purse)

Barn areas are restricted to lesson participants and staff. Parents and family members are not permitted in the barn area while students are tacking up or during lesson times. Parents are asked to wait for students in the viewing lounge.

Riders are required to arrive and be ready to tack up at least half an hour before the lesson and plan to stay half an hour after the lesson to untack their horse and care for their tack.

If a student is bringing a guest to watch the lesson, the student's parent or guardian is required to stay for the duration of the lesson.

All lessons booked are a personal reservation. 24 hours notice (via email) is required in order to reschedule a lesson. Students are permitted 2 make up lessons per 16 week session, and 1 make up lesson per 8 week session. The make up lesson is to be scheduled within 30 days of the missed lesson (and before the end of the session). It is the student's responsibility to schedule a make up lesson.

In an effort to limit distractions Gordonhurst Equestrian Center does not allow students to have cell phones or handheld devices with them in the barn while riding and/or tacking up or untacking.

Thank you for your cooperation.
